What we do in FFA

Why is FFA different from a food bank?

- Close links with our community partners
- Responsive to immediate needs
- Steady, reliable source of donations
- Fresh food, toiletries and baby goods unique to FFA

What are Food Clubs?

- Run by community-based children's centres
- Families join for a £1
- Members have ownership over what they get. They choose for themselves
- Pay £3.50 for groceries.
- Staff can pick up on problems and anxiety in their community

What else?

- At both the Vench and Felix Road Adventure Playgrounds
- School holidays and after school meals cooked for children.
- Cookery activities.
- Our contributions go to these cooking activities

Why is FFA still here in 2022?

- Food poverty an entrenched problem
- Food insecurity continuing problem
- We have a direct input into feeding many families in food poverty in Bristol
